

Include your name, affiliated organization, and date of submission at the top of your document. Review the three questions below and submit a single document with your responses. Label each answer clearly (Question 1, Question 2, Question 3) and upload your completed file as a PDF or DOCX through the specific dataset request form.

Name your file using the following format: [YOURNAME]-DatasetRequest-ProjectInfo (e.g., "JohnSanchez-DatasetRequest-ProjectInfo.pdf").

Name:

Affiliated Organization, if Applicable:

Title of Dataset Requested:

Date of Dataset Request Submission:

Project information:

1. **Research Proposal (not to exceed 650 words)!** What research question(s) do you intend to explore with this dataset? What is the significance of this question to the ERW community? Please provide a high-level description of the approach that will be used to answer each research question. (Note that this will be shared in the Research Proposals tab and available for all Data Quarry users.)
2. **How will you manage the dataset to ensure compliance with the Terms of Service:** Note that, if approved, you will have access to the dataset for 3 years, at which point you will need to request renewal.
3. **Intent to Publish:** Please describe how you expect your research to be shared publicly, including anticipated timeline.
